

SPEEC CONSENT FOR ELECTRONIC COMMUNICATION

Consent for electronic transmission forms, records, and other documents.

I am the parent or legal guardian of _____ (name of child/client) and hereby consent to the electronic transmission of forms and records, and other documents that might contain personally identifiable information concerning my child, to the following electronic email address _____. Information transmitted could include input forms, rating scales, individualized educational programs, evaluation and reevaluation reports, therapeutic intervention notes, financial information.

I also understand that such information may be shared between SPEEC contractors for the purpose of scheduling, treatment, coordination of evaluations appointment reminders, Billing or reimbursement purposes. SPEEC will not forward any electronic communications outside of SPEEC without the consent without my consent or as required by law.

Because SPEEC cannot assure clients that recipients/contractors will read electronic communications promptly, I understand that I must not use electronic communications in the event of an emergency or cancellation.

I understand that information transmitted to this address will not be encrypted or otherwise protected and that the security of that information after transmission is entirely my responsibility. I also understand that this consent shall be in effect unless and on until it is revoked in writing by me and that Written revocation is received by SPEEC. I understand that it is my responsibility as the client for protecting my password or other means of access to electronic communications sent or received from SPEEC to protect confidentiality. SPEEC is not liable for breaches of confidentiality caused by the client. SPEEC will take reasonable steps to protect the confidentiality of my electronic communications but SPEEC is not liable for improper disclosure of confidential information not caused by spec gross negligence or wanton misconduct.

Risk factors among general electronic communication including but not limited to email and texting/SMS risks are the following: One these communications can be immediately broadcast worldwide and received by many and intended and unintended recipient's, to recipient can forward messages to other recipients without the original sender's permission or knowledge, three user can easily miss address in electronic communication, for electronic communication is easier to pacify in hand written or signed documents, five backup copies of electronic communications may exist even after the center or the recipient has deleted his or her copy.

I have read and understand the risk factors. I have read and understood the risks of using electronic communication. By signing this document I give consent to the use of electronic communications and hold SPEECS' employees and contractors harmless from any breach of client confidentiality including the conditions reviewed above.
